## Action Taken Report on Feedback Report for the Academic Session: 2020-2021

Throughout the academic session, which took place during the COVID-19 lockdown, most classes were conducted online. Despite this, feedback was gathered from different stakeholders, and after thorough analysis, the IQAC coordinator presented a comprehensive report. Following careful consideration, the IQAC has recommended the following actions to be taken or implemented as soon as possible:

1. Students should be encouraged to join physical classes.
2. Students should be encouraged to read and write.
3. There should be various cultural, sports, and other activities that will bring the mental state of the students to normalcy.
4. The campus must be thoroughly cleaned and sanitized.
5. A hybrid model (Offline and online) should be implemented.
6. The mentor-mentee system should be strictly maintained.
7. The alumni should be encouraged to form a formal "Alumni Association" and take a constructive role in the development of the college.
