

Feedback Analysis Report 2022-2023

Nabagram Amar Chand Kundu College is located in Nabagram, Murshidabad and is affiliated under the University of Kalyani. The Academic Council of the College has received feedback from various stakeholders.

DATA COLLECTION AND ANALYSIS

The student's feedback is collected in online mode.

The Teacher's, Alumni's, and Parent's feedbacks are collected offline.

In addition, feedbacks are also collected from various governments and social organizations, schools from the neighboring area regarding the extent and quality of the extension activities carried out by the NSS unit of our college in offline.

Students' feedback

Methodology

Out of the total number of feedback forms filled online in the college website by the students, 100 samples were randomly selected and the analysis was done on the data received. The feedback was done on the various parameters mentioned in the following graph.

Analysis

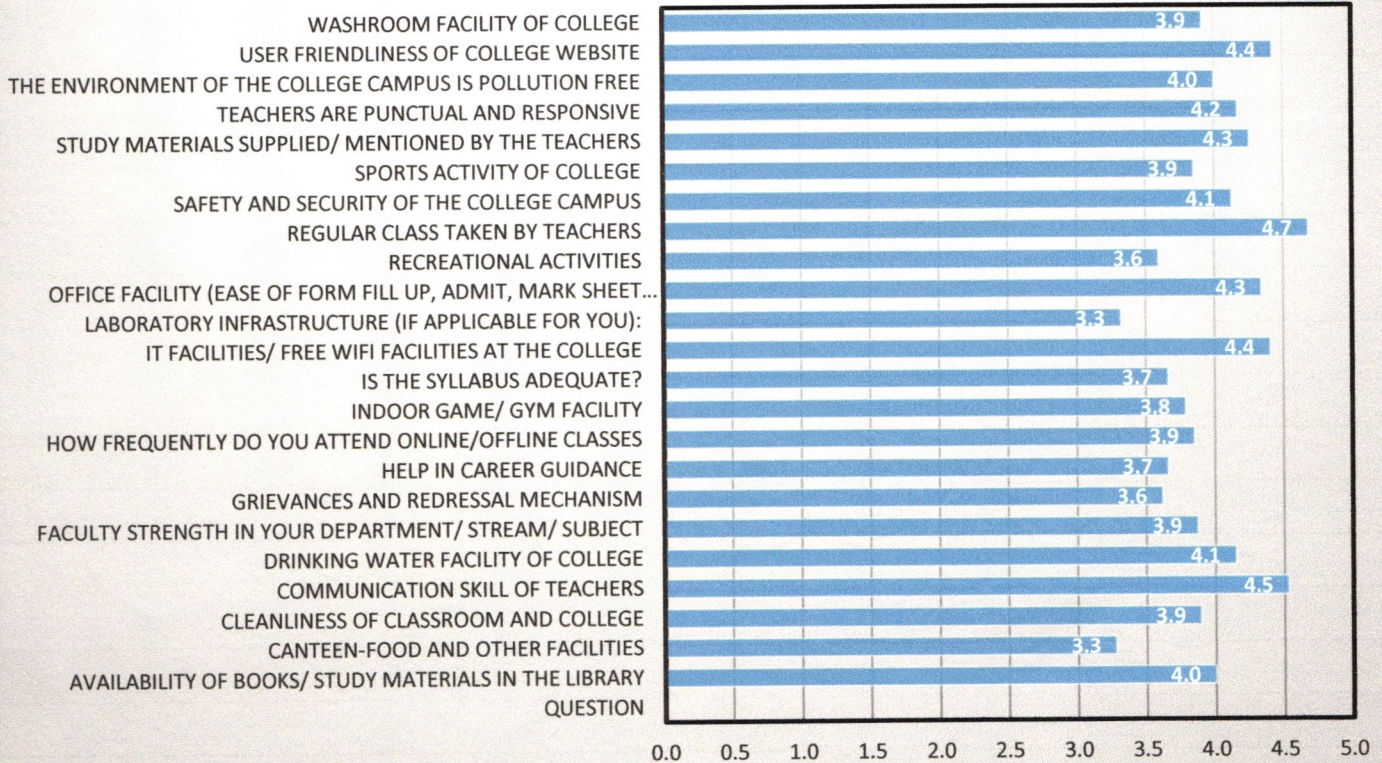

The feedback enables every student to express their opinion on all aspects of the college. The questionnaire consists of 23 questions.

Student's Overall Feedback : 2022-2023 (100 samples)

Observations

- The feedback suggests that the college needs to enhance library facilities and develop a mechanism to provide enough study materials to the students.
- The feedback shows a marked improvement with respect to overall cleanliness, washroom facilities, and drinking water facilities provided by the college.

Teachers' Feedback

Methodology

All the full-time teachers were requested to fill up the Feedback forms manually.

Analysis

The feedback enabled every teacher to express their opinion on all aspects of the college. The questionnaire consists of 8 questions.

Observations

- Overall, teachers seem to be highly satisfied with the activity of the examination as well as the washroom facilities of the college. The latter is an area where the college has shown remarkable improvement.
- However, the respondents like previous years have continued to show their dissatisfaction regarding the availability of adequate infrastructure and opportunities for career development, suggesting that these areas require attention.

Parents' Feedback

Methodology

Feedbacks were collected from the parents of the final year students. Out of the total forms received 20 forms were selected randomly for analysis.

Analysis

The parents were requested to give their feedback on 8 parameters

Observations

- Like previous year, the parents have continued to express their satisfaction with safety and security and the facilities provided by the office.
- As per the feedback report, overall cleanliness and availability of books/study materials still remains an issue of concern.

Alumni's Feedback

Methodology

Feedbacks were collected manually from the alumni who are in regular touch with college. Out of the total feedback forms collected, 50 response sheets were randomly selected for graphical analysis.

Analysis

Alumnus was asked to assess the performance of the college on 7 parameters

Observations

- It has been observed that the alumni have given better feedback in respect to Training and Placement opportunities provided by the college. Nonetheless, there's still further scope of improvement in the field.
- The college has been successful in maintaining high standard of teacher-student relationship even during and after the period of lockdown and resulting disruption in normal activities of the college.
