Awareness Rally on Plastic-Free Forest

Place: Dakshingram Forest

Date: 25.12.22

The burden of plastic has come out as a great threat to modern civilization. There are so many harmful effects of plastic. Dakshingram Forest is used as a picnic spot during the winter season and the forest area is burdened with used plastic, bottles, plates, packets etc. That is why the NSS unit organized an awareness rally to make people aware of the harmful effects of plastic in the forest area in association with Nabagram Police station. A total of 89 volunteers walked in the rally. The NSS volunteers also met with different picnic teams and requested them not to use plastic and don't leave plastic items in the forest area.

Outcome: The awareness camp is very fruitful as the forest remained less plastic burden comparatively than the last year.
