

## ENERGY POLICY

The management of NABAGRAM AMAR CHAND KUNDU COLLEGE has established an energy policy for the organization. This policy outlines the management's commitment to continuously improving energy efficiency. It also supports the purchase of energy-efficient goods and services. As a result, clear directives have been given to the procurement department for all future procurements.

**NABAGRAM AMAR CHAND KUNDU COLLEGE** is committed to conserving, setting targets, reviewing, and continually improving energy usage.

**NABAGRAM AMAR CHAND KUNDU COLLEGE** is committed to improving its energy performance by:

- Reduce Specific Energy Consumption through efficient use of energy and monitor energy use & performance in areas of significance.
- Establish a framework for setting, monitoring & reviewing energy objectives & targets. Commit to allocate necessary resources and ensure availability of relevant information for use.
- Adhere to applicable laws and regulations, relevant legal and other obligations with respect to energy.
- Set energy performance indicators and establish a clear reporting structure with defined responsibilities.
- Constantly upgrade technology and improve the efficiency of equipment.
- Encourage energy awareness amongst all relevant functions through policy roll-out, internal communication, and training as necessary.
- Explore economically justifiable and technically feasible clean sources of energy.
